

BROOKWOOD CREDIT RECOVERY BOOT CAMP

2019 - 2020

Credit Recovery is a program for students who did not pass a class and earned a grade between the ranges of 60%-69%. Students can take a condensed version of the course to earn credit towards graduation. Successful credit recovery grades will appear on a student’s transcript but it will NOT replace the failed grade. Credit recovery allows students to earn credit and get back on track towards graduation.

Who is eligible? Students who have previously taken a course (for which CR is available) and scored a 60%-69% are eligible, however, 65%-69% is recommended. Please note that CR is offered at a standard, college preparatory class level. Resource, Co-Taught, Honors, Gifted, and Advanced Placement courses are not available. In addition, Accelerated Math courses are not available.
